SECURITY FEATURES
The Citrus contains the following security features:

- **WATER-RESISTANT** - Makes document readable after security fluid has been applied.
- **WATERMARK** - Displays graphic of this paper, read by holding paper to light.
- **INTEGRAL EMBOS** - Contains embossed in this paper, read by running paper over a metal grid.
- **MICROSLANT PRINTING** - Tiny lines in a pattern on the left side of the body of each character.
- **CERTIFICATION** - A guarantee to reproduce entire document and provide a permanent record of the original as well as a return to the sender.
- **TONE-ADHERENT** - A coating on the inside of the drum protects the optical mirror and prevents the drum from absorbing the ink. This allows the drum to retain the ink for the next print.
