CRITICAL INCIDENT TYPES

Based on the Appendix of the Critical Incidents Policy

"Individual": refers to an individual accessing CLBC funded services.

ABUSE *

- **Emotional Abuse:** Alleged or actual act or lack of action that diminishes an individual's sense of well-being and is perpetrated by a person in a position of trust or authority, including verbal harassment, yelling, or confinement.
- **Financial Abuse:** Alleged or actual misuse or abuse of an individual's funds or assets by a person in a position of trust or authority. Obtaining property or funds without the knowledge and full consent of the individual or a formal or informal representative.
- **Physical Abuse:** Alleged or actual excessive or inappropriate physical force directed at an individual by a person in a position of authority or trust, including:

 - a person who is not responsible for providing services and is not a supported individual.
- **Sexual Abuse:** Alleged or actual sexual behaviour, directed at an individual, whether consensual or not, by a staff member, volunteer or any person in a position of trust or authority. Sexual behavior may include inappropriate, unsolicited, or forced sexual attention. **Sexual behaviour between two consenting individuals is not a critical incident.**

AGGRESSION BETWEEN INDIVIDUALS

Aggressive behaviour by an individual **towards another individual** that causes injury requiring first aid (e.g. bandage, ice pack), emergency care by a medical practitioner or nurse practitioner, or transfer to a hospital.

AGGRESSIVE / UNUSUAL BEHAVIOUR *

Aggressive or unusual behaviour by an individual that results in harm and/or causes significant concern. Harm can be to property or to a person. Harm to a person can be physical or emotional harm, and can be towards themselves, another supported individual, staff, or others. Unusual behaviour means behaviour that is unusual *for the person*.

Behaviours included in the Behaviour Support Plan, and Safety Plan (if applicable) **must** be reported **if** they are beyond what is included in, or effectively addressed by these plans, **or** if they cause harm.

ATTEMPTED SUICIDE *

Attempt by an individual to intentionally self-harm for the purpose of taking his or her own life.

- **Restriction of Rights** * Involves limiting or removing an individual's access to activities or actions that restrict an individual's autonomy, choices, and any action that impacts an individual's right to privacy.

Food poisoning is a food borne illness involving an individual that requires emergency care by a medical practitioner or nurse practitioner, or transfer to the hospital. For unlicensed programs, any incidents of food poisoning must be reported as "unexpected illness" on the CLBC Critical Incident Report.

USE OF SECLUSION *
